

Invitation Letter

Dear Sir/Madam,

The 4th International Conference on Optoelectronic Information and Computer Engineering (OICE2025) will be held in Taiyuan, China during July 15-17, 2025, which is organized by the School of Astronautics, Harbin Institute of Technology, China. On behalf of the Organizing Committee, we warmly welcome you to participate in OICE2025 technical discussions and accompanying programs!

OICE2025 aims to provide an open, high-quality and efficient academic exchange platform for scholars, experts and researchers from all over the world to share their research experiences and latest results in Optoelectronic Information and its cross-cutting areas, to discuss the future directions of research development as well as to promote worldwide cooperation through plenary speeches, special sessions, oral and poster presentations.

As an annual academic conference, OICE has been successfully held over the last 3 years, attracted delegates from more than 10 countries and regions, including China, the United Kingdom, Russia, and Canada. The published proceedings have been included in SPIE Digital Library, EI Compendex, and Scopus.
